Price \$25 (includes transportation only)

Burgess Falls State Park has one of the largest and most impressive waterfalls in all of Tennessee. The 1.5 mile round-trip river trail is a moderate to strenuous hike taking visitors past four waterfalls on the Falling Water River. The waterfalls are 20-foot cascades, 30-foot upper falls, 80-foot middle falls, and 136-foot lower falls.

Next, we will stop for some Southern cuisine at The Landing, with very well priced dishes at \$6.49 for meat and three vegetables.

After lunch we will head to Rock Island State Park, which contains numerous waterfalls. Two of the Park's largest waterfalls, Twin Falls (80-foot) and Great Falls (30-foot), can easily be seen from parking area overlooks. The bus will shuttle you between the two large falls. We will not be hiking at this park.
