We will be heading to Damascus VA for a unique experience and breathtaking views. We will be driving to Damascus where we will be renting bikes and be shuttled to drop off destination where you will enjoy a beautiful 17 mile downhill bike ride. There is a café on the way down or bring a picnic lunch as there are many places to pull off and enjoy the scenery. Try something different and experience the beauty while getting some exercise doing something different for the day. The trip takes roughly 2.5-3 hours. Then kick back and relax and let someone else do the driving home. The trip cost covers your bike rental, helmet, water, and shuttle service plus your transportation.
