

# THE ADVENTURE THEATER SPEAKEASY EXPERIENCE

## HerSTORY WOMEN IN MUSIC

Like a sweet refrain that reminds us of yesterday's iconic melodies, the all-female band, HerSTORY, sings the cherished songs of female trailblazers who carved out the pathways of music. Featuring Melissa Ellis, Wendy Maness and their rotating cast of female musicians, this chorus of passionate talent breathes new soul into the profoundly inspiring songs of female legends like Stevie Nicks, Carole King, and Queen Aretha, who etched their names into history's songbook.

## Wine, Whiskey, & Jazz: A Cabaret Experience!

Most recently seen as Sylvia in *All Shook Up* and the upcoming *Beehive*, Regina electrifies the stage with her powerhouse voice and charismatic stage presence. In the style of Sarah Vaughan, Bessie Smith, Ella Fitzgerald, and Nina Simone, she teams up with the fiery sounds brought forth by The Cumberland Jazz Collective to give you a night to remember.
